centrios

BUY A LEVER RECEIVE A FREE PADLOCK

Centrios provides low profile cylindrical locks that are sleek units and look great on any door. Designed with advanced polycarbonate, their locks are scratch resistant and easy to clean. These Grade 1 locks are independently tested and operated over 1 million times. Rated to prevent the spread of fire for 3+ hours. In short, they work day-in, day-out no matter what.

When you purchase a Centrios Lever in November or December, you will receive a Free Centrios Padlock

Limit to 1 padlock per IML Account. Padlock will be provided to those that qualified in January 2027.
