

# IML SECURITY SUPPLY: KANSAS

2950 South 44th Street | Kansas City, Kansas 66106

## Security Door Controls Lunch And Learn

SDC is recognized for the developing the first electrified lockets approved for stairwell door applications. Their locking systems can be found in virtually any application where access control of a door is required.

**Join us for a Lunch and Learn event and discover how SDC products can help better secure your facility.**

Some of the topics covered include:

- Auto Operators
- Exit Devices,
- Motorized Electric Latch Retraction
- Stand-Along Electronic Mortise Locksets
- Stand-Along Electronic Rim Exit Device Locksets
- Electric Latch Retraction Retrofit Kits.

They will also review their offerings of ADA compliant accessories such as Bollards, Push Plates and Buttons.
