

SECURITRON AQL SERIES INTELLIGENT POWER SUPPLIES

This new line of power supplies from Securitron is a feature-rich, out-of-the-box solution that offers unique performance and value. It is network management ready and available in 12 or 24 VDC single, dual and multi-voltage units. With Netlink Network Monitoring from LifeSafety Power, the new Securitron AQL Series offers remote supervision, reporting and control.

Notifications flag problems before they happen. The flexible & modular design allows for multi-voltage capability in a single enclosure, mix and match UL listing, plus multiple ways to customize and upgrade the feature set of any Securitron AQL Series power supply. All Securitron AQL Series Power Supplies are covered by the MagnaCare lifetime, no-fault, no questions asked warranty.
