

STATE-OF-THE-ART ENTRY CONTROL AND COMPLIANCE START HERE!

LobbyTECH
ENTRY COMPLIANCE SYSTEMS

With security becoming an ever-growing concern in today's business environment, door by door access control has become a valuable tool in helping to keep employees and other building occupants safe. When combined with a partnered third-party access control platform, the LobbyTECH system will unlock the entry door for verified personnel that have passed the screening process while also identifying who is in your waiting area.

- Facial Recognition
- Access Control
- Legal Documents & NDA
- Temperature Scanning
- Visitor Screening
- Pre-registration
- Visitor Badge Printing
- Safety Video
- Vaccination Tracker
