RLX SERIES GRADE 2 LOCKSET

ARROW
LOCK & DOOR HARDWARE

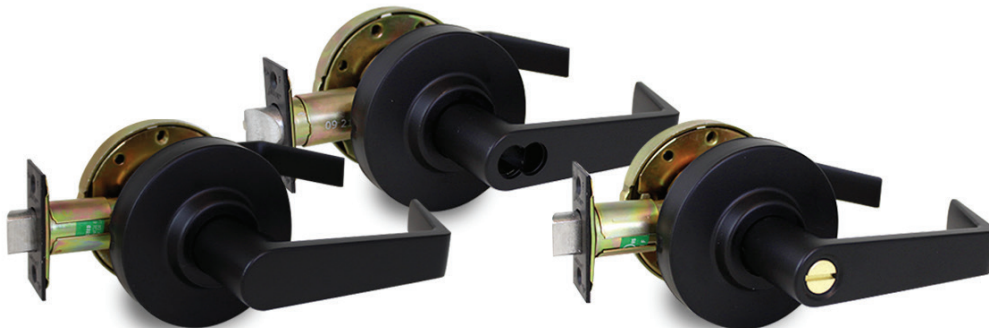

ASSA ABLOY

The RLX Series is a robust Grade 2 lockset with a freewheeling lever operation for enhanced abuse resistance. The RLX is an Arrow Professional Replacement Product featuring removable through bolts and a variety of designs, finishes and functions.

The RLX Series is an economical value for a variety of application. Perfect for multi-family housing markets, as well as light commercial applications.

New Changes

- Black suede powder coated finish available on RLX and QL Series
