

# GET REWARDED WITH YOUR NEXT ELECTRONIC LOCK

**Receive a \$50 Lowes gift card for each AD, CO, LE or NDEB Series lock purchased in April and May 2021.**

**AD Series** locks were designed to be adaptable, allowing upgrades to be made to new technologies without taking the lock off the door. Available in cylindrical, mortise, mortise deadbolt and exit trim chassis options, they feature built-in credential reader and access control sensors for simplified installation.

**CO Series** offers ideal solutions for customers seeking the added security and convenience of electronic access control without the cost or complexity of a fully networked system. Cylindrical, mortise, and exit trim chassis options are available as well as a wide variety of finishes and levers to suite with existing hardware.

**LE Series** wireless mortise lock with ENGAGE technology is designed to affordably extend electronic access control deeper into the building beyond traditional perimeter and high security openings. The LE Series is ideal for commercial real estate, K-12, higher education, assisted living, medical offices, or multi-family applications.

**NDEB** mobile enabled wireless lock has an interior push button with indication that expands the way the lock operates to include storeroom, office, privacy and apartment functions. This wireless locks can be managed from anywhere using ENGAGE web and mobile applications.

**Ask an IML Representative for full promotion details and product availability.**
