

BEST PRODUCT, BEST VALUE, BEST SERVICE

GMS continues to expand their product offering with needed alternatives to OEM products to fill customer needs. Their continued expansion of small and large format interchangeable core products provide customers with high quality alternatives.

GMS accomplishes this by providing high quality, value priced products, with reliable and consistent service while bringing to the market new and innovative product solutions.

When you purchase \$100 in GMS products during the month of February 2018, you will receive a customized 9"x6" pinning mat. Limit to 4 mats per IML Account.

Visit us on-line at www.imlss.com or ask an IML Representative for more product details.
