AMERICAN LOCK

Marketing Your Business Just Got Easier

Master Lock strives to provide products and solutions using the latest technology and innovation. They provide a wide variety of products like padlocks, residential hardware, safes, bluetooth solutions and more. You can count on IML Security Supply to have the Master Lock products you need to complete the job.

When you purchase \$100 in Master Lock or American Lock products during January 2018, you will receive a customized insertable counter mat.

*Limit to 3 per mats per IML Account

Every 3 months in 2018, IML Security Supply and Master Lock will provide a new insert design to help drive additional product sales.

Visit us on-line at www.imlss.com or ask an IML Representative for more product details.
